

Royal Mail Ship Segwun

100th Anniversary!

Stay tuned for the centennial celebration plans ahead!

RMS Segwun celebrates a milestone 100th anniversary this year. Originally launched as the *Nipissing* paddle wheeler, she was relaunched as *Segwun* on July 9, 1925.

Segwun remains a vital link to the romance, nostalgia, and history of Muskoka's past. She is the sole survivor of a fleet of 21 steamships which carried passengers, mail, and freight throughout Muskoka before the days of automobiles and modern roads. As North America's oldest operating coal-fired steamship, she is an award-winning Canadian tourism icon.

Plans are underway for a grand celebration all summer to properly pay tribute to our grand lady of the lakes! Be sure to join us this year for a lunch, sightseeing, or sunset dinner cruise. The Captain and Crew look forward to welcoming you on board the *Royal Mail Ship Segwun*!
